OVERVIEW

Unlock the GPS Code for Success and navigate your path to unprecedented achievement. This program unveils the roadmap for success, emphasising the pivotal role of a growth mindset in embracing change as the catalyst for transformation

OBJECTIVES

- Articulate clear and compelling goals based on your current circumstances and desired outcomes.
- Identify negative habits and thinking patterns that may be hindering your progress.
- Apply simple yet powerful techniques to develop a positive and empowering self-image.

PREREQUISITES

- Designed for individuals seeking to enhance their performance, productivity, and profit-oriented skills.

AUDIENCE

Entrepreneurs & Business Owners, Sales & Marketing Professionals, Managers & Leaders, Individuals in Career Transition, Young Graduates

COURSE CONTENTS

Module 1: Goal Mastery Unleashed

- Delve into the profound significance of setting clear and compelling goals. Discover the three distinct participant groups within our program and find your place. Craft goals tailored to your unique circumstances and aspirations while recognising that success is the journey toward a meaningful ideal

Module 2: Unraveling the Forces Within

- Explore the inner workings that govern your finances, choices, health, and relationships. Dive deep into the roots of your behaviour, dissecting the interplay between your conscious and subconscious mind. Bridge the gap between knowledge and action, and dissect negative habits and thought patterns that hinder your progress

Module 3: Harnessing your True Potential

- Shift the paradigm of work and self-perception as you encounter the 'S' of GPS - Self-Image. Uncover the secrets of developing a powerful Self-Image through seemingly simple actions. Explore the profound impact of your conscious and subconscious mind on your journey to success, realising that your very nature is designed for triumph
